

Headley Parish Council met on Monday evening and made the following comments on the above planning application.

We object to the mass, size and bulk of the proposed dwellings which are too big for the plot sizes. There are no garages proposed and no visitor parking is provided. The Design and Access Statement claims the proposed dwellings are in keeping with Headley Down but the majority of the larger houses in Headley Down have plot sizes of 0.07ha (1/6th acre) within Policy H10. There is no mention of retention of the bollards nor of the post box. We also support the comments from the Landscaping and Highways Officer.

Kind regards
Clerk & Executive Officer
