- If the amounts to be paid or the payment dates change The Renewable Energy Company Ltd will notify you 10 working days in advance of your account being debited or as otherwise agreed.
- If an error is made by The Renewable Energy Company Ltd or your Bank/Building Society, you are guaranteed a full and immediate refund from your branch of the amount paid.

Payment Options

Fixed Monthly Direct Debit

Setting up an agreed fixed monthly amount helps you to spread the cost of your electricity. All you have to do is agree with us a payment that covers the total estimated amount you spend throughout the year and divide it by 12 months. This amount will include VAT.

We will monitor your account regularly to ensure the amount you are paying each month is enough to cover your annual electricity consumption.

Quarterly Direct Debit

This method of payment calculates how much electricity you have used over a three month period. We will send you a bill for this amount and unless you contact us your bank account will automatically be debited 10 working days after the bill is sent to your address.

Please check your bill when you receive it and contact us if you have a query about the amount. If necessary we will withhold the payment until any amendments have been made. This agreement can be cancelled at any time by you.
