## **Comments**

This authority operates an alternate weekly kerbside collection of refuse (green bin) and recycling (black bin) at the closest point to the adopted highway. Crew members are not expected to walk further than 10m from a kerbside to collect bins.

Each individual domestic property will require 1 x 240 litre refuse bin and 1 x 240 litre recycling bin, plus a 38 litre glass box. We offer an optional chargeable garden waste collection service.

This authority does not provide receptacles free of the charge, these will need to be purchased by the resident or the developer direct from our contractors Norse SE and they can be contacted on 02392 488000.

This authority should be given one month notice prior to the first occupation in order for collections to commence.

Residents will need to take their receptacles to the agreed collection point by 7.00am on the day of collection.
