# Application form

## Application form for UPG online card processing

Please complete the form below, along with your payment of £25 + VAT, and we will contact the relevant bank to request an Internet merchant number for you. Please do not contact your bank yourself as this will lead to complications and delays. If you already have an Internet merchant number please enter it in the relevant box below. If you currently have no merchant facilities at all we will contact a selection of banks and obtain quotations for you. There is no obligation for you to go ahead with the merchant account quotes.
