

**SUCCESS****Trial Account Created Successfully**

Client name:	Wingpath Limited
Client SH reference number: (Also your login)	SH217458
Client check code:	197086
Password:	k3G7xli8qv

The SecureHosting client reference number and check code must be entered in your order form as hidden fields, ie:

```
<input type="hidden" name="shreference" value="SH217458">
<input type="hidden" name="checkcode" value="197086">
```

You can copy and paste the above values into your form. Please note : if using one of our supported shopping cart systems, or our Shopform form creator, these fields will already be present in your form, provided that you have set it up correctly.

We recommend that you print out this page for future reference.

Please [click here to log into your client area](#), where you will be able to upload your payment form and define your settings such as confirmation email messages and pages.
