

[next month]

MAIN FEATURE

MODEL BEHAVIOUR

The makes you can rely on and those most likely to break down

Two wheels to woo

Scooters and mopeds on test, including 'designer' models

Plus

Pollution exposed

How serious a problem is it? Who's responsible? And what should be done?

Scam competitions How to spot them and what to do if you fall victim

House insurance Best Buys plus the impact of flooding and subsidence

Child car seats The safest models to protect your little ones

Sanders What type for what job, how they rate and tips on hiring

Best Buys Ice-cream makers; digital cameras; DVD recorders; and more

'Scam competitions continue because the chance to make very large sums of money still outweighs the risk of any fine'

Stephen Meales, Trading Standards Manager, Bristol

Coming soon Car security; big banks; sales; bikes & helmets; fridges; beamer TVs; film processing; dentists; supermarkets; home audio systems; coffee makers; saving for retirement
