# BLAZIN' SADDLES

Best Buy bikes for town and country; how to choose; and tips on safe cycling. Plus helmets on test

## Counter attack

The big banks stand accused of poor service and high charges

## Plus

## Sales talk

Are some sales rigged? We find the truth behind the claims

**Product reliability** The brands you can depend on for electronic goods

**Car security** The latest batch of cars is put through our tests

**All-in-one accounts** A sensible option? We do the sums for you

**Food safety at events** We expose the dangers of catering to the masses

**Best Buys** Beamer TVs; disposable cameras; printers; film processors

'Car manufacturers claim that lockable glove boxes protect your belongings. But they're usually made of flimsy plastic with second-rate locks'

Phil Rhodes, car security expert

**Coming soon** Fridges; dentists; supermarkets; home audio systems; coffee makers; saving for retirement; toasters; child trust funds; vacuum cleaners; hair straighteners
