

# ARE YOUR ENERGY BILLS TOO HIGH?

**You could save £257\* just by changing your energy supplier.  
Over 5 million people in Britain have switched.  
Visit Which? Switch to find out if you could make a saving.**

**[www.whichswitch.co.uk](http://www.whichswitch.co.uk)**

\*Average annual saving per household that switched to a dual fuel tariff via our Which? Switch service between 1 August and 31 December 2008.
