## CORRECTIONS

### Printers February 07, p64

In the 'How much does it cost?' chart, p66, the columns for the Canon 5200, Canon 6600D, Dell 3010cn and the HP Deskjet 460 are stacked incorrectly.

The purchase price (coloured pink) should be listed as the running cost (yellow) and vice versa. The total cost is not changed and the individual figures used are correct. We apologise for this mistake.
