What's new on which.co.uk

Know your stuff

How well do you know your consumer news? You can put yourself to the test on which.co.uk with our monthly quiz – but be warned, you're against the clock. Go to www.which.co.uk/quiz to see how you get on. Here's a quick taster:

A *Holiday Which?* report on customs and traditions found that exposing the soles of your feet is rude in which country?
a) Egypt; b) Brazil; c) China; d) India

The answer is a).

Which? podcast

Listen to our latest monthly podcast to find out if carbon offsetting really is worth the money. We check out the UK firms promising to help you ease your conscience if you're worried about the impact you're having on the planet.

Plus we've our regular round-up of consumer news and how it affects you, as well as our new monthly technology slot. Go to www.which.co.uk/podcast to download the latest edition.

A CLOSER LOOK AT NEW CARS

Our new image gallery lets you get up close and personal with the cars we've been testing, inside and out. Have a look at our first drives – our early feedback on new cars, including the latest Audi A4. Head to www.which.co.uk/audiA4 and log in to see the gallery.

And, for a closer look at the cars that stole the limelight at March's Geneva Motor Show, check out www.which.co.uk/genevashow for our interactive gallery and exclusive event report.

Six-month index

Main features from October 2007 to March 2008 plus corrections (+) on these topics. For this month's reports, see p2. For a full index to 2007 *Which?* reports, see December 2007
