## which? Local

If you need a reliable trader for a problem at home or a garage repair during the holidays, try Which? Local.

Our members-only website lists more than 14,000 recommendations for local businesses and traders from other Which? readers.

Which? member Maurice Card of Swindon (right), saved more than £700 after using Which? Local to find a car body repair centre.

One local garage quoted him £1,100 to repair the dents and damage to his car paintwork. Maurice used Which? Local to shop around for a better price and was delighted. He said: 'I saved money and the service was first class.'
