

Which? Online Shopping Basket

Save money on your food shopping with our new online supermarket price comparison

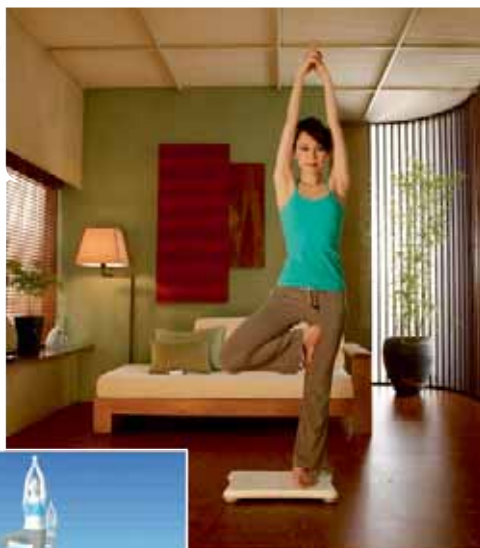

Find the cheapest supermarket for your groceries by checking out our new price comparison shopping basket at www.which.co.uk/supermarkets. Each month, we'll compare the prices of everyday basics as well foods that you've told us you buy – such as tinned tomatoes and unsmoked bacon – from each of the main supermarkets, and we'll let you know which one offers the best prices for your shopping.
