

Entertainment Best Buys

Exclusive at Which.co.uk

Which? members can find even more Best Buy home entertainment products online

This issue, we reveal 35 home entertainment Best Buys for every budget, but there are more than 80 Best Buy products listed on online – and only Which? members have the access to make sure that you're getting the best value product for the right price.

Whichcompare.co.uk links directly from all our Best Buys, giving you the most up-to-date pricing and taking the legwork out of shopping for home entertainment products.

By using your Which? online login details at **www.which.co.uk/tvproducts** you can access all our Best Buy details and our full test results – in reviews of more than 400 home entertainment products.

Our product tests cover everything from set-top boxes, Blu-ray players, DVD recorders, portable DVD players, PVRs and universal remote controls to indoor aerials, as well as the TVs, home cinema systems and DVD players featured in this issue.

Which.co.uk TV connection wizard

Set up your entertainment gadgets easily with our online tool

So you've bought the latest Best Buy television and DVD player, but you can't work out which wire goes where? Our interactive tool helps you work out the right set-up from the comfort of your own home.

Visit **www.which.co.uk/tvconnectionwizard** and drag the types of product you have into our virtual living room – it takes just a few clicks to get a fully wired-up, easy to understand diagram.

Whether you own an older television and VHS player or a brand new HDTV and PVR, we can untangle your cabling hassles. And it doesn't matter what combination of Scart or HDMI sockets you have, we cover almost every set-up, including add-ons, such as surround-sound systems.

From choosing the right Best Buy to getting you up and running – being a Which? member means we've got you covered.
